

Email & Communication Security Policy

Rules

- Use only Army-issued email accounts for official communication
- Report phishing emails immediately via the Incident Portal
- Do not share sensitive data via unsecured channels (e.g., WhatsApp)

Awareness

- Phishing is a common attack vector
- Employees must undergo annual training on email threats
- Incident Portal logs will be reviewed regularly

Email & Communication Security Policy (continued)

Rules

- Use only Army-issued email accounts for official communication - This requirement is critical to maintaining military-grade security standards and compliance.
- Report phishing emails immediately via the Incident Portal - This requirement is critical to maintaining military-grade security standards and compliance.
- Do not share sensitive data via unsecured channels (e.g., WhatsApp) - This requirement is critical to maintaining military-grade security standards and compliance.
